RE: BBL - ACT! Question

To Frank Lopez

Frank I hardly know how to answer that. It's a broad piece of software and we use it in a variety of ways. Is there a specific question you were trying to get to?

**Subject:** BBL - ACT! Question

Dr. Levin,

Can you tell me what functions you use today in Sage ACT? I'd like to know specifically how you and your employees interact with it from a business perspective each day.

Thanks,

-
